### FY 2010-2011 GOALS

- 1) Dramatically reduce cost of Transfer Station operations through contract re-negotiation, bid process, direct City operation or other means.
- 2) Enter into partnership with Salvation Army to reduce amount of bulk trash moving through Transfer Station. Salvation Army will take usable furniture, including sofas, chairs, dressers, and other household furnishings at no cost to City. They will supply their own container and their own manpower. This effort should reduce tip fee expenses as well as illegal dumping and its related costs throughout city.

### FY 2009-2010 GOAL STATUS

- 1) Dramatically reduce cost of Transfer Station operations through contract re-negotiation, bid process or other means.  
**6 MONTH STATUS:** Analyzing taking operations in-house either completely or in part, thereby removing or reducing role of outside vendor-operator and reducing expenses, as was done with condominium routes in FY 2009.
- 2) Enter into partnership with Salvation Army to reduce amount of bulk moving through Transfer Station. Salvation Army will take usable furniture, including sofas, chairs, dressers, etc. at no cost to City. They will supply their own container and their own manpower. This effort should reduce tip fee expenses as well as illegal dumping and its related costs throughout city.  
**6 MONTH STATUS:** Not meeting goal.
- 3) Continue to investigate means of diverting and decreasing the quantity of waste entering the transfer station through composting measures, recycling, and related activities.  
**6 MONTH STATUS:** Meeting goal. Refuse tonnages down significantly. See Sanitation section for further detail.
